

# Coalition for Physician Enhancement

**CPE Fall Meeting, September 24 - 25, 2008**

Location: Albany Medical College, Albany, New York

## *“The Use of Medical Simulators in Physician Assessment and Enhancement”*

### **Objectives:**

By the end of the educational program, participants will....

1. ...be able to describe current uses for simulation in the acquisition and maintenance of surgical skills
2. ...be able to describe current uses for simulation in medical competency assessments
3. ...be able to discuss ways in which simulation has been used as a quality management process for the reduction of medical risk
4. ...have worked together to discuss issues and controversies of interest in the field of simulators for the assessment and enhancement of physicians in practice.
5. ...have had the opportunity to collaborate and strengthen relationships with colleagues in the area of physician assessment and enhancement
